HUGE NNDM STOCK Price UPDATE + SENS STOCK UPDATE

Today we are talking about 2 stocks that have seen some crazy movement lately.. that is Nano Dimension stock ticker symbol NNDM and Senseonics stock ticker symbol SENS.

In last 1 week we have seen a similar trend in both stock price.. NNDM is down by 10% to 8.30 cents and SENS is also down by 10% 2.68 cents.

Lets talk all the latest update on NNDM and SENS stock, should you buy this 2 stock right now or just wait it out a little bit? upcoming catalysts to keep an eye on and as always I will also give you my NNDM stock price and SENS stock price prediction.

NNDM and Senseonics (SENS) both are very revolutionary in my opinion, and they are working on bringing a very disruptive product to the market! Hope you enjoy!
