

Tesla Will EXPLODE Because of THIS! + NIO Prediction

Tesla Just Dropped Some Crazy News! Will this be the point Tesla Stock Takes Off?

The NIO and Tesla Battle will only get bigger and that's what I am going to talk about today. Many government officials have done some questionable things like buying Tesla Calls and this very interesting. We don't see something like this too often and know that 95% of all options expire worthless so their confidence means something much deeper.
